

The Coastal Bulletin #5

December 2017

December has been a crazy busy month here at the brewery! Here's a roundup of what we've been up to, what's coming up and a link to vote in (for us obviously!) the [GABS Hottest 100 Aussie Craft Beers](#).

On tap @ Local institutions!

We are delighted that our Boomerang Beach Pale Ale is now on tap in the new 'The Tanks' lounge and bar at [Club Forster](#). 'The Tanks' is a brand new space featuring state-of-the-art facilities. It will be the perfect place to unwind, whilst enjoying something to eat and a locally brewed beer.

For those a bit further north we are equally delighted that our Boomerang Beach Pale Ale is also now available at [Hallidays Point Tavern](#), our local! With new owners Guy and Kerri-Lee Safran in charge, there's great live music and great food - this is the place to be.

And for those to the south of Forster – Boomerang Beach Pale Ale is available at the awesome [The Recky](#) and Town Lager at [Hueys @ Blueys](#).

Add to that, a great range of local bottleshops now carrying The Coastal Brewing Company and we are well set to show locals and visitors to the area what Local, Independent, Fresh, Everytime (LIFE) is all about!

Sydney !

Sydney is important for us – both from a business perspective but also because we lived there for 20 years and have a lot of friends in Sydney. We are pleased to share

December has been a big month in terms of breaking into the Sydney market!

We have delivered kegs of Boomerang Beach Pale Ale to [Beer DeLuxe King Street Wharf](#) and Treachery XPA is on tap at [The Local Taphouse Darlinghurst](#), just in time for the Christmas party season!

We will shortly deliver a keg of Submarine Kolsch to [The Beer Barrel](#), a great outlet in Chippendale selling fresh beer in growlers.

Plus, we now have Boomerang Beach Pale Ale available in cans at [Wenty North Liquor](#) and Town Lager at [Porter's Liquor Balgowlah](#).

Newcastle

Newcastle is an awesome city for craft beer, and we continue to supply existing and add new venues. Recently we have delivered kegs to [The Fire Station Hotel](#), [The Albion Hotel](#), [The Grain Store](#), [The Prince of Wales Bottle'](#), [The Hop Factory](#) and [The Happy Wombat](#).

We were also delighted to be included as a beer in the December [Beer Crate](#).
