

# The Coastal Bulletin #18

January 2019

We hope everyone had a great Christmas and New Year and that you got to spend some quality time with family and friends. The festive season was big for us, serving in the tasting room, delivering to great bottleshops and venues and continuing to brew to (try to) make sure we don't run out of stock (we were generally successful with a couple of exceptions!)

## Vote 1 Cellito IPA

**Voting in the GABS Hottest 100 Craft Beers of 2018 closes at 11.59pm AEST on Friday 18 January 2019!!**

Whilst we have registered most of our beers on the list this year **we ask you to Vote 1 for The Coastal Brewing Company Cellito IPA!!!** Click the picture below to vote.

## Hottest100 Countdown

On Sunday 27 January from 12.30 – 5.30pm we will be hosting a GABS Hottest 100 Aussie Craft Beers countdown event.

We will be streaming the results live as well as having our beers, including our two new beers, available for tasting.

## The Kranky Goat

About 15 mins north of Forster, there's a new dining experience located at Tallwoods Golf & Country Club in the beautiful coastal village of Halliday's Point. [The Kranky Goat](#) is perfect for casual dining anytime of the day. And, with The Coastal Brewing Company Wallis Weizen and Milk Stout on tap you are sure of a great beer to match with the awesome food!!

## Talking of new beers.....

Join us over the long weekend for a first taste of these two new beers !

### The Keys – 8.3% Imperial Stout

After 18 months of him asking, we have finally brewed our team member Ross' favourite style of beer!! Big, rich, dark, roasty, full bodied and intense (the stout not Ross!) and named after Forster Keys, the area in Forster where Ross lives. Imperial stouts were originally brewed with high alcohol to withstand the abuses of being shipped across the Baltic from England to Imperial Russia in freezing weather. Brewed as a small batch limited release, so make sure to try it before Ross drinks it all!!

### Whoota RIPa – Red IPA

Hoppy and bitter with an ABV in the mid 6%'s this Red IPA balances the sweet caramel / malt of an amber / red ale and the hop-forward flavours and aromas of an IPA. Brewed with Eureka, Cascade and Citra hops and generously dry hopped this IPA is flavourful and very drinkable. Named after Whoota Whoota lookout in Wallingat National Park which offers breathtaking views - in one direction over vast stretches of eucalypt forest and in the other direction over Wallis Lake and the NSW mid-North Coast coastline.

## TasteFest on the Manning

On Saturday 12 January we, along with about 12,000 other people!!, attended TasteFest on the Manning in Taree.

It was an excellent event organised by Taree Lions Club and a great day was had by all !
